OUTLINE TERMS OF REFERENCE

ROAD SPECIALIST TO SUPPORT TRANSACTION ADVISORY SERVICES (TAS) MANDATE FOR DEMRA-AMULIA ACCESS CONTROLLED ROAD PROJECT

I. Objective and Purpose of the Assignment

The Government of the People's Republic of Bangladesh is planning to improve the Hatirjheel (Rampura Bridge)-Amulia-Demra Road with link to Tarabo and Chittagong road (the "Project") using a Public Private Partnership ("PPP") scheme. The private sector partner is expected to have design, build, finance, and operation and maintenance responsibilities. The Project will connect to existing government-run transport infrastructure facilities.

The road is approximately 13.5 km in length and is expected to establish a strong connectivity among the capital city Dhaka to Chittagong, Sylhet, Narayanganj and other eastern districts of Bangladesh. The road will be a new high quality gateway of Dhaka. Traffic projection in the road is expected to be very high and this section, if improved, can attract vehicles particularly bound for Gulshan, Baddha, Tejgaon, Rampura, Baridhara, or Banani. The high traffic density in national highway N1 and N2 makes this road to be a ideal connectivity to be developed under PPP. Depending on the availability of existing ROW, out of 5.66 km in length has proposed as elevated while remaining 7.84 km shall be at-grade in accordance with the prefeasibility study conducted by RHD. The main carriageway would be 4-lane with 2-lane in the both directions. There will be a provision of Toll free road on both sides parallel to the main carriageway with a minimum width of 4.8 meter.

The Public Private Partnership Authority of Bangladesh (the "Client") has retained ADB to prepare the Project and to identify a suitable private sector partner. Tasks for which ADB is responsible include: (1) completing technical due diligence including a traffic study, (2) recommending a "bankable" transaction structure, (3) preparing a feasibility study, (4) marketing the transaction to prospective investors, (4) implementing a competitive tender, and (6) assisting with closing mechanics. The Client is planning to retain a Road Specialist that will support ADB's transaction advisory services (TAS) for the Project.

In addition, the ADB will retain a firm that will provide technical advice and prepare the technical sections of a feasibility study for the Project.

II. Scope of Work

The Road Specialist will act as a member of the TAS team and contribute to ADB's scope as advisor for all technical aspects of the Project. The Specialist will provide day-to-day project management on technical matters, manage technical and traffic demand consultants, and engage with the Client and other external consultants (financial, legal, etc.) as required. As a regular member of the transaction advisory team, the Specialist will conduct technical consultations on behalf of the Client and play a key role in development of sustainable business options for the Project.

The Specialist's tasks will include but not be limited to, managing and working with other technical consultants to complete or assist the consultants in completing:

Feasibility Study and Project Preparation

- I. Review, analyze and suggest improvements and/or amendments to the economic analysis, traffic demand study, and technical feasibility study produced by the external consultants
- II. Review and provide technical inputs as required for all reports and documents being developed by ADB and its consultants
- III. Provide technical inputs to the financial feasibility model for the Project
- IV. Provide other technical inputs associated with the Project as necessary
- V. Oversee field work of other technical consultants responsible for feasibility study aspects including technical feasibility study, traffic demand study, economic analysis, environmental and social impact assessments, and others.
- VI. Assist with deliverables to Client such as project scope, needs assessment, and development of procurement plan
- VII. Support preparation and delivery of technical reports and presentations to Client as required.
- VIII. Assist and liaise with RHD and ADB in all aspect related to the project and as required by the PPP Authority

A. Tender Process

- I. Review and provide technical inputs as required for all documents being developed by ADB and its consultants, including the minimum technical specifications and EOI/bidding parameters prior to public offering
- II. Prepare checklist of technical items for data room
- III. Attend and provide support during proponent pre-qualification and bidder conferences, one-on-one meetings with potential bidders, and other related meetings as required
- IV. Draft responses to technical aspects of queries from bidders throughout tender process
- V. Assist in the evaluation of expressions of interest and bids with respect to technical aspects and proponent capabilities and experience
- VI. Provide other technical inputs as necessary

III. Minimum Qualification Requirements

The Road Specialist will have at least a bachelor degree in a relevant technical field. Post graduate degrees in relevant field will be preferred. The Road Specialist must have extensive experience in the roads sector and at least 5 years' experience overall, in particular in working with PPP projects, transport consultancy or in other relevant assignments.

Minimum general experience: 5 years

Minimum specific experience: 3 years

Country experience: Asia region (Bangladesh project experience and knowledge on relevant Bangladesh government policy and regulations will be highly valued)
